

Curriculum Vitae

Sarah A. Raskin, Ph.D.

September 1, 2018

Department of Psychology and
Neuroscience Program
Trinity College
300 Summit Street
Hartford CT 06106 USA

(860) 297-2342
(860) 297-2538 (fax)
sarah.raskin@trincoll.edu

Education:

Johns Hopkins University	Behavioral Biology	B.A. 1984
City University of New York	Neuropsychology	Ph.D. 1990

Professional Positions:

1994-Present	Professor (2011) Department of Psychology and Neuroscience Program Director, Neuroscience Program Trinity College Hartford, CT
1994-1995	Clinical Instructor Department of Psychosocial Nursing University of Washington Seattle, WA
1991-1994	Neuropsychologist Department of Neuropsychology Good Samaritan Hospital Puyallup, WA
1988-1991	Neuropsychologist Department of Rehabilitation Medicine Mount Sinai Medical Center New York, NY

Licensure and Diploma

Connecticut State License 001921

New York State License 010803-1

Diplomate in Clinical Neuropsychology, American Board of Professional Psychology 5010

Honors, Awards, Grants:

- 2017 Co-recipient Maria Miller Stewart Award, Connecticut Women's Education and Legal Fund
- 2017 Fellow, American Psychological Association, Division 40, Society for Clinical Neuropsychology
- 2017 Fellow, American Psychological Association, Division 22, Rehabilitation Psychology
- 2017 Trustee Award for Faculty Excellence, Trinity College
- 2016 Fellow, National Academy of Neuropsychology
- 2015-2017 Charles A. Dana Research Professorship, Trinity College
- 2015 Mary Erskine Award: honors faculty members who make significant scholarly contributions and who make substantial investments in mentoring trainees from North East Undergraduate Research On Neuroscience (NEURON).
- 2015 William Petit Foundation grant to fund brain injury survivor retreat at Trinity College
- 2009 Finalist, Connecticut Women of Innovation, Academic Innovation and Leadership Category
- 2009-2012 Trinity Faculty Research Committee Three Year Research Expense Grant. "Prospective Memory Functions after Brain Injury"

- 2008 Finalist, Connecticut Women of Innovation, Academic Innovation and Leadership Category
- 2008-2014 Co-PI The National Institute on Alcohol Abuse and Alcoholism (NIAAA). "Alcohol and Drug Use in College Students: Cognition and fMRI." Funding to Olin Neuropsychiatry Research Center, Trinity College and Central Connecticut State University
- 2008-2014 Co-PI VA HSRD "Treatment of OIF/OEF Veteran Neuropsychiatric Symptoms Following TBI" Funding to University of Pittsburgh Medical Center
- 2006 Catherine Bontke Memorial Award, Brain Injury Association of CT. Awarded to a professional who has made a significant contribution to the field of brain injury through clinical services or research
- 2005 Hughes Foundation Grant
"Brain Injury Prevention Program for Middle School Students" with the Brain Injury Association of CT and the Looking In Theatre Company
- 2004 Atlantic Philanthropies Grant for Community Collaboration
"Health Education of Migrant Farmworkers with the Connecticut Council on Occupational Safety and Health"
- 2004 Kellogg Foundation Grant for Learning Corridor Collaboration
"Use of an internet site for problem based learning collaboration between the Trinity College class in Brain and Behavior and the Science High School class in Physiology"
- 2004 Trinity Faculty Research Committee Three-Year Research Expense Grant "Training of Prospective Memory"
- 2004 NIH Model System for Brain Injury Center Grant to Mount Sinai Medical Center in NY (consultant)

- 2002 Trinity Faculty Research Committee One-Year Research Expense Grant “Assessment of prospective memory in Alzheimer’s disease”
- 2002 Arthur A. Hughes Award for Achievement in Teaching, Trinity College
- 1999 ConnectiCare Education Grant
“A video to help individuals with traumatic brain injury”
- 1998 ConnectiCare Education Grant
“A video to help individuals with traumatic brain injury”
- 1997 Trinity College Three Year Faculty Research Expense Grant
“The ability to remember to remember”
- 1996 Trinity Faculty Research Committee Faculty Research Expense Grant “Measurement of prospective memory or the ability to remember to remember”
- 1996-1999 James McDonnell Foundation Cognitive Rehabilitation Grant
“Use of electrophysiology to measure efficacy of cognitive rehabilitation”
- 1995 Trinity College Faculty Research Committee Summer Grant
- 1989 American Psychological Association Science Directorate Dissertation Fellowship
- 1989 Sigma Xi Grants-in-Aid of Research Grant
- 1988 Distinction on second doctoral examination (CUNY)
- 1984-1989 City University of New York Graduate Teaching and Research Fellowships (5)
- 1984-1989 Helena Rubenstein Foundation tuition assistance awards (4)

Invited Talks

Prospective Memory in Clinical Practice. June 21, 2018. American Academy of Clinical Neuropsychology. San Diego, CA.

Lessons from Neuroplasticity for Cognitive Rehabilitation. June 15, 2018. Alzheimer's Disease and Dementia Symposium. Plantsville, CT.

Assessment and Rehabilitation of Prospective Memory. May 4, 2018. IberoAmerican Conference of Neuropsychology, Almeria, Spain.

The Aging Brain. May 30, 2017. Connecticut Science Center Adult Coffee Club, Hartford, CT.

Current Findings in Cognitive Rehabilitation. April 27, 2017. Connecticut Speech Language Hearing Association Annual Conference, Wallingford, CT.

Polishing the Executive: Improving Fronto-Executive Function. March 4, 2016. Brain Injury Alliance of Connecticut Annual Meeting, Hartford CT.

Traumatic Brain Injury and Domestic Violence. April 14, 2016. Sojourner Center Institute Inaugural Research Symposium, Phoenix, AZ.

Neuropsychological Assessment. March 5, 2015. Central Connecticut State University School of Counseling, New Britain, CT.

Murphy, A., Bullard, S., Raskin S. March 6, 2015. Cognitive and Behavioral Strategies 101: from Hospital to Community. Brain Injury Alliance of Connecticut Annual Meeting, Hartford CT.

The Healing Power of Music. January 22, 2014. WNPR Colin McEnroe Show live at the Watkinson School, West Hartford CT.

Overview of Cognitive Rehabilitation. February 25, 2014. Hartford Hospital, Hartford CT.

Update on Cognitive Rehabilitation. March 7, 2014. Brain Injury Alliance of Connecticut Annual Conference, Hartford CT.

Mild Brain Injury as a Chronic Disease: Long term management. March 8, 2012. Brain Injury Alliance of Connecticut Conference, Hartford CT.

Applying Neuroplasticity to Rehabilitation. March 11, 2011. Brain Injury Association of Connecticut Annual Conference, New Britain, CT.

Neuroplasticity and Cognitive Rehabilitation. November 11, 2011. Braintree Neurorehabilitation Conference, Cambridge, MA.

Prospective Memory. November 11, 2011. Braintree Neurorehabilitation Conference, Cambridge, MA.

Memory for Intentions Test: Administration and Clinical Applications. November 16, 2011. Test-Focused Workshop at National Academy of Neuropsychology, Florida.

Alcohol and Concussion Recovery. March 17, 2010. Brain Injury

Association of CT Concussion Series, Hartford, CT.

Measurement of Prospective Memory. June 25, 2010. University of Rome, La Sapienza.

Memory for Intentions Screening Test: Psychometric and Clinical Properties. February 27, 2009. An International Workshop on Prospective Memory and Health: Promoting Understanding and Treatment. Griffith University, Brisbane, Australia

Neurotoxins and Cognitive Remediation. September 25, 2009. Half-day workshop for the Department of Mental Health and Addiction Services, Connecticut Valley Hospital, Middletown, CT.

(with Kristina DePeau* and Miriam Zichlin*) Using Community Learning in Neuroscience Courses. April 12, 2008. NorthEast Under/graduate Research Organization for Neuroscience. Hunter College, NY.

Clinical Approaches to Prospective Memory Deficits. April 30, 2008. University of Connecticut Clinical Lunch Series, Storrs, CT.

Strategies for dealing with Memory and Organizational Issues. December 1, 2008. Brain Injury Association of Connecticut Educational Series.

Neuropsychology of Anxiety Disorders. December 15, 2008. Institute of Living Neurobiology/Neuroscience Seminar. Hartford, CT

Management of Memory Deficits after Brain Injury. May 11, 2006. Brain Injury Association of Connecticut Workshop Series. Stamford, CT.

Neuroplasticity: Lessons for Rehabilitation. April 9, 2005. Albert Schweitzer Institute. Hamden, CT.

Rehabilitation of Individuals with Mild Brain Injury. April 25, 2005. Brain Injury Association of Connecticut Workshop Series. Hartford, CT.

Update on Prospective Memory Assessment and Treatment. June 14, 2005. Kessler Medical Rehabilitation Research and Education Corporation, West Orange, NJ.

Assessment and Treatment of Prospective Memory Deficits. March 24, 2004. Quinnipiac University, Hamden, CT.

Physiological, Cognitive and Emotional Sequelae of Traumatic Brain Injury. May 24, 2004. Brain Injury Association of Connecticut Workshop Series

Approaches to Cognitive Rehabilitation July 22, 2003. International Multiple Sclerosis Research Society, Taormina, Sicily.

Assessment and Management of Mild Traumatic Brain Injury. June 15, 2002. American Academy of Clinical Neuropsychology Conference Workshop. Boston, MA.

(with D. Blackburn). So, I know we want to develop (or revitalize) our program in neuroscience.

What's next? April 28, 2001. North East Under/graduate Research Organization for Neuroscience, Wellesley College, Wellesley, MA.

(with D. Blackburn, W. Mace, J. Bronzino and D. Lloyd).

Development of an Undergraduate Neuroscience Program: Issues, Challenges, and Strategies. June 22-24, 2001. Project Kaleidoscope Workshop, Undergraduate Neuroscience Education: From the Enchanted Loom to the World Wide Web, Trinity College, Hartford, CT.

Assessment of Mild Brain Injury. October 24, 2001. Saint Francis Hospital, Hartford, CT.

Treatment of Mild Brain Injury. October 24, 2001. Saint Francis Hospital, Hartford, CT.

Update on prospective memory. February 7, 2000. Connecticut Neuropsychological Society, Connecticut Children's Medical Center, Hartford, CT.

Brain Development. (with P. Kehoe). January 27, 1999. Trinity College Community Child Center, Hartford, CT.

Rehabilitation of Prospective Memory. February 16, 1999. University of Connecticut, Department of Neurology Brain and Behavior Rounds, Institute of Living, Hartford, CT.

Treatment of Memory Deficits after Traumatic Brain Injury. March 26, 1999. Annual Conference of the New York Academy of Traumatic Brain Injury. New York Academy of Sciences, New York, NY.

Use of ERPs in Cognitive Rehabilitation. April 26, 1999. Functional Imaging Rounds. University of Connecticut Health Center, Farmington, CT.

Neuropsychology and Cognitive Remediation. June 4, 1999. Brain Injury Association of Connecticut Annual Conference, Trinity College, Hartford, CT.

Cognitive remediation. October 7, 1999. Capitol Region Education Council, Hartford CT.

Cognitive rehabilitation of attention and memory deficits. October 11, 1999. Clinical Associates for Evaluation and Rehabilitation, New York, NY.

Sexual Abuse and Brain Function. May 29, 1998. University of Connecticut, Department of Psychiatry, Farmington, CT.

Mild traumatic brain injury. June 2, 1997. Connecticut Neuropsychological Society, New Britain, CT.

Assessment and treatment of attention deficits after brain injury. October 30, 1997. Hunter College, New York, NY.

Prospective Memory Rehabilitation. December 2, 1997. Yale University, Cognitive Lunch Series, New Haven, CT.

Neuropsychological rehabilitation of memory deficits. February 26, 1995. Connecticut Neuropsychological Society, New Britain, CT.

Rehabilitation of memory deficits. May 10, 1995. The Rehabilitation Center, Windsor, CT.

Controversy and update on attention retraining following mild traumatic brain injury. October 2, 1993. Oregon State Head Injury Foundation Annual Meeting, Salem, OR.

Issues in cognitive remediation. October 8, 1993. Washington State Head Injury Foundation Conferences, Sea-Tac, WA.

(with C. Mateer). The process-specific approach to cognitive remediation. Full-day workshop. October 14, 1993. Vancouver Traumatic Brain Injury Conference, Vancouver, BC.

Post-concussion syndrome. December 9, 1993. Seattle Mental Health, Seattle, WA.

Rehabilitation of acquired memory deficits. December 11, 1993. Pacific Northwest Neuropsychological Society Annual Conference, Sea-Tac, WA.

Neuropsychology in Nicaragua. February 22, 1992. Center for Talented Youth/Johns Hopkins Career Symposium, University of Washington, Seattle WA.

Cognitive and vocational outcomes of a post-acute mild TBI program. June 5, 1992. JFK Medical Center, Edison, New Jersey: Fourth Annual Conference on Rebuilding Shattered Lives; Mild Traumatic Brain Injury.

Neuropsychological Assessment. November 12, 1992. Valley Medical Center, Department of Family Medicine, Renton, WA.

Cognitive deficits following normal pressure hydrocephalus. October 21, 1986. Mount Sinai Medical Center Department of Neurology Grand Rounds, New York, NY.

Trinity Presentations

Does childhood sexual abuse lead to measurable brain dysfunction?
November 2, 1995, Women's Center Lunch Series.

Health care among migrant workers in the U.S. March 2, 1999.
Migrations, Diasporic Communities, and Transnational Identities
panel.

Rehabilitation of memory after brain damage. October 1, 1999.
Family Weekend.

Are you your IQ. September 11, 2001. Scientific Freedom and
Responsibility panel

The role of the brain in the mind-body interaction. February 24, 2003.
Meanings of Health conference.

Remembering to Remember. November 2009. Faculty Lecture
Series.

Madness and Mental Illness. November 14, 2013. Panel participant
for the Trinity Institute for Interdisciplinary Studies.

Research on Prospective Memory. July 1, 2014. Summer Science
Symposium Series.

The Immortal Life of Henrietta Lacks panel discussion (moderator).
August 29, 2014. First Year Orientation.

Reaching Beyond the Disciplines (moderator). October 23, 2014.
President Berger-Sweeney Inauguration.

Remembering to Remember. December 7, 2017. Faculty Research
Lecture Series.

* indicates Trinity College student

Professional Memberships:

International Neuropsychological Society
 National Academy of Neuropsychology
 Cognitive Neuroscience Society
 American Psychological Association (Divisions 40 and 22)
 Connecticut Neuropsychological Society
 International Society for Women in Cognitive Neuroscience
 Brain Injury Association of Connecticut
 North East Undergraduate Research on Neuroscience
 New York Academy of Sciences
 Asociacion de Neuropsicologia de Nicaragua (Honorary)
 Psi Chi
 Sigma Xi
 Nu Rho Psi

Professional Committee Service and Offices Held:

2016-present Member, Women in Neuropsychology Subcommittee of the
 Pubic Action Interest Committee for the
 Society for Clinical Neuropsychology, American Psychological
 Association Division 40
 2015-present Member, State of Connecticut Acquired Brain Injury Waiver
 Advisory Committee
 2015-present Member, Science Committee of American Psychological
 Association Division 22
 2014-present Board of Directors; Connecticut Against Gun Violence
 2013-present President, Board of Directors; Brain Injury Alliance of CT
 2012-present President, Connecticut Neuropsychological Society
 2011-2015 Regional Vice-President; Nu Rho Psi, The National Honor
 Society in Neuroscience
 1996-1999 Secretary North; Connecticut Neuropsychological Society
 1995-1998 Board of Directors; Brain Injury Association of CT

Other Professional Activities
