- 1 RIETEH stands for Research Institute of Economic Thoughts and Economic History, Fudan University, Shanghai, China.
 - 2 RCFPE stands for Research Center for Political Economics, Tsinghua University, Beijing, China.

American Economic Association (AEA)
 Chinese Economists Society (CES)
 President of the Chinese Economists Society (CES), 1999-2000
 Vice President of CES, 1994-95
 Chairman, the Academic Publishing Committee of CES, 1998-2004
 Member of Academic Publishing Committee, 2004--2009
 Member of editorial Board of *China Economic Review* (In English, published by Elsevier of North-Holland)
 Member of editorial Board of *China Economic Quarterly* (in Chinese, published by CCER, Peking University)
 Member of editorial Board of Historical Think Tank, July, 2009-

HONORS, AWARDS, GRANTS

Honorary member of CES, 1996- 1997
 One year research grant, Trinity College, 2005-2006.

LANGUAGES

English: read, speak, and write fluently
Chinese: read, speak and write fluently (Mandarin and Shanghai dialect)

AREAS OF SCHOLARSHIP

Development Economics, Agricultural Economics, International Economics, Chinese Economic Development and Reforms

PUBLICATIONS IN FIELD OF EXPERTISE

A. BOOKS

1. Authored Books
 “*Our People Have No Land (吾民无地)*”, Beijing: Dongfang (Oriental) Publishing House, July 1, 2014.
Institutional Change and Long-term Economic Development: A Comparative Historical Analysis on the Differences in Market Expansion and Economic Dynamic Development between the Pre-modern Europe and China, co-authored with M. Hua, W. Li, Y. Zhang, Shanghai: Fudan University Press, June 2006.
2. Edited Books
 Ed. (with D. Lu and H. Zhou) *China’s Economic Globalization through the WTO*, England, Aldershot, Hants: Ashgate Publishing Limited, May 2003.
 Ed. (with S. Wei and H. Zhou) *The Globalization of the Chinese Economy*, England, London: Edward Elgar Publishing Limited, Nov. 2002.
 Ed. (with Z. Zheng, X. Wang and X. Zuo) *WTO and China: Developing through Globalization*, China, Beijing: The People’s University Press, September, 2001.

Ed. (with D. Xu) *The Reformability of China's State Sector (In English)*, Singapore: The World Scientific Publishing Company, March, 1997.

Ed. (with D. Xu) *Reforming the State-Owned Enterprises in China* (in Chinese), Beijing, China: The Economic Publishing House of China, June 1996.

Ed. *The Land Tenure System in Contemporary China* (in Chinese), Changsha, China: Hunan Science and Technology Press, summer, 1994.

Ed. (with Y. Zhao) *The Taiwan Model* (in Chinese), New York: Oriental News Press, 1993.

B. CHAPTERS IN BOOKS

1. Chapters in Edited Scholarly Collections

“The Super Dream of the Superpower”, included as a chapter in *China in its Shadow*, Wu et al, Jiangsu Arts and Literature Press, May, 2013, 13-20.

“China’s Territory Changes and its Impulse to Leave Agrarian Society: An Economic Geographical Approach to Needham Puzzle,” collected in *The Great Lecturing Hall Series*, edited by the Graduate School of Chinese Academy of Social Sciences, Beijing, China: Economic Management Press, forthcoming.

“The Globalization and the Lagging Income Growth in China’s Rural Areas”, collected in *China facing the challenges of globalization: issues and prospects*, Cornell University Press, forthcoming.

“The Land Takings in US and its Relevance to China”, co-authored with Yingchun Xu, collected in *Collection of Papers on International Comparison of Land Systems*, Beijing: the Chinese Academy of Social Sciences Press, forthcoming.

“A Free Exit Mechanism is the Best Guarantee for Voluntary Collectivization: What Lessons We Can Learn from Past Collectivization Failures”, collected in *On the Land System Reform of China*, Beijing, China: Chinese Financial and Economic Press, April, 2009.

“The Incompatibility of China’s Rural Land System with an Increasingly Urbanized and Marketized Economy”, collected in *Economic Transitions with Chinese Characteristics*, ed. by Arthur Sweetman and Jun Zhang, Kingston, On. Canada: McGill Queens University Press, 2009

“To solve the Three Agrarian Issues, One should not Avoid Privatizing Rural Land”, collected in *Rural China in Transformation: Chinese Agriculture, Peasants and Rural Society in the Era of Reform*, Hong Kong: Tide Time Publishing, 2007.

- “How well can China handle its peak demand for grain?” collected in *China's Agricultural Development: Challenges and Prospects*, Editors: X. Dong, S. Song, X. Zhang, Ashgate Publishing Limited, UK, 2006.
- “Why Was China Trapped in Agrarian Society: an Economic Geographical Approach,” collected in *Institutional Changes and Long-term Economic Development—A Comparative Historical Analysis on the Differences in Market Expansion and Economic Dynamic Development between the Pre-modern Europe and China*, co-authored with M. Hua, W. Li, Y. Zhang, et al. Shanghai: Fudan University Press, June 2006.
- “China’s Territory Changes and its Impulse to Leave Agrarian Society: An Economic Geographical Approach to Needham Puzzle,” collected in *Academic Speeches by Famous Scholars*, ed. by G. Tian, Vol. I, Shanghai: The Press of Shanghai University of Finance and Economics, May 2005.
- “On the Adverse Impact of China’s Traditional-Type land System on its Population Distribution in an Globalization Era,” collected in *Economic Globalization and China*, ed. By M. Hua and W. Li, Shanghai: Fudan University Press, July, 2003.
- “The City Groups in Yangtze Delta, Urbanization, and Rural Migration in China,” collected in *China’s Urbanization*, edited by A. Chen, Beijing: Economic Scientific Printing House, Sept. 2003.
- “Challenges and opportunities for China’s Agriculture after its WTO Accession,” to *China’s Economic Globalization through the WTO*, ed. by D. Lu, G. J. Wen, and H. Zhou, Aldershot, Hants, England: Ashgate Publishing Limited, May 2003.
- “Urbanization and Population Relocation”, included in *The Globalization of the Chinese Economy*, ed. by G. J. Wen, S. Wei and H. Zhou. England, London: Edward Elgar Publishing Limited, Nov., 2002.
- “Isn’t Market-oriented Reforms the Ultimate Way out for China’s Agriculture?” collected in *Macro China*, ed. X. Long, Beijing: The Mechanical Industry Press, Oct. 2002.
- “The Sino-USA Economic Relations in the Post-WTO Era,” collected in *Constrained Engagement*, ed. by Y. Hao and Y. Zhang, Beijing: Xinhua Press, Sept. 2001.
- “Economic Globalization, China’s Urbanization and Population Redistribution”, included in *WTO and China: Developing through Globalization*, ed. by G. J. Wen, Z. Zheng, X. Wang and X. Zuo. China, Beijing: The People’s University Press, September, 2001.
- “Chinese Rural Social Security and Land Holding,” co-authored with A. Zhao, included in *Social Security Reform in China*, ed. by J. Yin, S. Lin and D. Gates, Singapore: World Scientific Publishing Co., Jan. 2000.
- “Chinese Rural Social Security and Land Holding,” co-authored with A. Zhao, included in *Social Security Reform in China*, ed. By Xu, Yin and Zheng, Beijing, China: Economic and Scientific Publishing House, April, 1999.

“The Deep-rooted Causes of the Asian Financial Crisis and its Lessons to China,” collected in *A Symposium on Finance and Economics*, The Press of Shanghai University of Finance and Economics, February, 1999.

“The Nature of TVEs’ Policy to Subsidize Agriculture: Reinternationalization of Externalities,” collected in *Chinese Township and Village Enterprises: Experience, Nature, and Reforms*, ed. by W. Hai and Y. Wang, Beijing, China: The China Industry and Commerce Association Press, Jan. 1997.

“The Two Models of TVE: Wenzhou and Sunan,” collected in *Chinese Township and Village Enterprises: Experience, Nature, and Reforms*, ed. by W. Hai and Y. Wang, Beijing, China: The China Industry and Commerce Association Press, Jan. 1997.

The Dual Responsibilities of Government During the Period of Economic Transition, collected in *The Modernization of Hainan and the Development Experience of Taiwan*, ed By K. Yeh and D. Tang, Kowloon, Hong Kong: Hong Kong University of Science and Technology, November, 1995.

1998, pp. 204-206.

"The Application of the Institutional Economics to the Study on China's Economic Reform: A Book Review," *Institutions, Technology and China's Agricultural Development* by J. Y. Lin, *Economic Research*, Dec., 1992.

F. WORKING PAPERS

On the Function of Urban Planning and Zoning: Do They Play A Decisive or Subsidiary Role in Allocating Land Use?

PRESENTED PAPERS, LECTURES AND PERFORMANCES

"The Urban/Rural Divide and the Land Tenure System: The Case of China", an invited presentation at the Seoul National University, May 12, 2014.

"The Barriers to Free Flow of Factors of Production and the Delay in Social Transformation: The Case of Mainland China", an invited presentation at the National Taiwan University, March 14, 2014.

"The Tumultuous Path of China's Collectivization Historical Lessons Learned as Rights to Free Exit were Lost and Partially Regained", an invited speech given at the inaugural meeting of the Research Institute of Economic Thought and Economic History (RIETEH), Aug. 15, 09, Fudan University.

"China's Outdated Land System and its Impact on Urbanization, Service Sector, and Other Structural Consequences", paper presented at the NBER and CCER joint conference, July 2, 2009, Peking University.

"Why it was High Time to Return to the Copernican World from the Ptolemaic World: the Increasing Distortions Caused by China's Current Land System", paper presented at the Shanghai Forum of Socio-Economic Development Strategy and the Public Policy, June 30th, 2009,

"The Urgency in Reforming China's Land System", speech at the conference of "Land System, Hukou System and Urbanization", June 27, 2009, Shanghai University of Finance and Economics.

"The Imperativeness to Lower Urbanization Cost and Boost Domestic Demand -- China's Long-term Challenges and Opportunities in the Looming Global Structural Adjustment", invited presentation, May 11, 2009, Shanghai Forum, Fudan University, China.

"On the Lessons of Exit Rights", speech at the Research Center for Political Economics, Tsinghua University, Dec. 13, 2008.

"The Land Takings in US and its Relevance to China", presented on Oct. 20, 2008 at the International Comparison of Land Systems by the Chinese Academy of Social Sciences.

"A Comparative Study of China and the Rest of East Asia in Income Distribution", invited presentation, May 27, 2008, Shanghai Forum, Fudan University, China.

“The Land Disputes and the Barriers in China’s Urbanization”, invited presentation at the International Conference held at Nankai University, April 17, 2008, Tianjin, China.

“The Hidden Systemic Issues for a Harmonious Society”, invited presentation, Dec. 27, 2007, the International Conference held at the Central University of Finance and Economics, Beijing.

“Geographic Approach to Needham Puzzle”, invited presentation, Shanghai Forum, Oct. 4, 2007, Economic History Seminar, Columbia University, New York.

“The Agrarian Issues and the Land System in Mainland China”, invited presentation, Sept. 28, 2007, Chungshan University, Kaosiung, Taiwan.

“Changes in China’s Territory and its Impulse to Come out of the Agrarian Trap” An Economic Geographic Approach to the Needham Puzzle”, The annual meeting held in Hong Kong of the Economic Association of Asia and Pacific, July 25, 2007.

“Geographic Approach to Needham Puzzle”, Shanghai Forum, May 27, 2007, Fudan University, Shanghai, China.

“Land System, Urbanization, and the Harmonious Society”, at the Second World Forum on China Studies, Shanghai, Sept. 21, 2006.

“Farmers’s Income Situation, Land System, and Urbanization”, presented at the International Conference on Hangzhou Model of Social and Economic Development at Zhejiang University, Hangzhou, China, July 17, 2006.

To solve the Three Agrarian Issues, One should not Avoid Privatizing Rural Land”, presented at the International Conference on the Harmonious Development of China’s Economy: Efficiency, Justice and Rule of Law, Shanghai, China, July 2, 2006.

“China’s External Balance and its Income Disparity between Rural and Urban Sectors”, invited to serve as a panelist at HSBC/China Institute Corporate Lecture, New York, June 21, 2006.

“Changes in China’s Territory and its Impulse to Come out of the Agrarian Trap” An Economic Geographic Approach to the Needham Puzzle” Harvard Yenching Institute, June 2-4, 2006, Cambridge, Ma.

Invited to serve as a discussant at the Telecommunication Session of the Yale China Conference, Yale University, April 21-22, 2006.

Served as a discussant at a CES session during the American Economist Association, Jan 7, 2006, Boston.

“The Determination of Farm Size in the Absence of Land Ownership,” presented at the American Economic Association annual meeting, Jan. 08, 2006.

Invited to serve as a discussant at the Economic Session of the Beijing Forum, Nov. 11 – 18, 2005.

“Differences in Factors, Barriers to their Mobility, and Remedies for Income Inequality,” presented at the

Conference on China at a Crossroad: Searching for a Balanced Approach to Development, Nov. 5-6, 2005, Harvard University, Cambridge, USA.

“The Needham Puzzle,” a speech delivered at Shanghai Century Publishing Group on Oct. 12th, 2005.

“China’s Urbanization and its Three Agrarian Issues,” a speech delivered at the Shanghai Salon and sponsored by Shanghai Development Research Fund, Sept. 19, 2005.

Invited to serve as a panelist at a Roundtable Event on China’s Rural Development, the China Institute, New York, May 8, 2004.

“An Economic Approach to the Needham Puzzle,” given in Fudan University, Shanghai, 25, Aug. 2004.

“Why Should We Promote the Private Ownership of Arable Land in China?” delivered at Shanghai Academy of Social Sciences, Aug. 24, 2004.

“Could China Come out of Agrarian Society by itself--An Factor Endowment Approach?” delivered at the World Forum on China Studies, Shanghai, Aug. 22, 2004.

“Should Farmers’ Income or Food Security be China’s Priority?” presented at the International Conference on China’s Rural Development, Hangzhou, China, June 28, 2004.

“The Communal Land Ownership and its Impact on Farmers’ Income Distribution,” presented at the International Conference on Promoting Private Ownership in China, Beijing, China, June 20, 2004.

“The Flaws in the Communal Land Ownership,” presented at the Institute of Rural Economic Research, the Chinese Academy of Social Sciences, Beijing, June 18, 2004.

“The Communal Land Ownership and its Impact on Farmers’ Income Distribution,” presented at China Institute, New York, an invited talk by Chinese Law and Economics Association, May 3, 2004.

“Land Tenure System in Rural China and its Impact on Farmers’ Income,” presented at the Conference on China’s Economic Reforms, Claremont Graduate University, LA, March 5, 2004.

“When, if ever, China was closest to an Industrial Revolution and Why China missed it?” an invited talk given at Wesleyan University, Oct. 23, 2003.

“Why Was China Trapped in Agrarian Society: an Factor Endowment Approach,” presented at the Conference on World Economy, Aug. 1, 2003 in Fudan University, Shanghai, China.

To be invited to give talks on China's Economic performance by VOA at its China Forum Show broadcast live to East Asia numerous times since 1994.

To serve as discussant at sessions during the American Economic Association’s annual meetings in various cities, 1995, 1997, 1998, 1999, 2004.

To function as an interpreter to Professor Merton Miller, a Nobel Laureate in Economics as he give a keynote address at the Shanghai International Symposium on the Reforms of China's State Sector held in July

1995.

"What Really Caused the Chinese Famine: A Reexamination" (with Gene Chang), presented at the 69th Annual Conference of the Western Economic Association International, Vancouver, July, 1994.

"The Externalities and the Rationale of Providing Subsidies by the Township and Village Entreprises to Farmers" (with Gene Chang) at the International Conference on "The Mechanism of Rapid Growth: the Case of the Township and Village Entreprises in China at Hangzhou, China, August, 1994.

Chaired a session on the topic of Economic Reforms sponsored by the Chinese Economist Society (CES) at the annual AEA meeting at Boston January, 1994.

Chaired a session on the topic of Chinese Economic Reforms and Development, at the annual Chinese Economist Society conference, Chicago, August, 1994.
